

April 12, 2004 meeting

1. Dr. Cooper asked permission to open an off campus checking account for the student chapter of SPJ. He and Dr. Herring will take care of this tomorrow. The four officers of SPJ will be signatories on the account, and it will take at least two signatures to write a check.
2. If you haven't signed up to work a time at the Krispy Kreme sale reply to this email! We need all the help we can get. Every member should be able to at least help for one hour. We are selling the donuts next Tuesday, Wednesday, and Thursday from 8 AM - noon in the L.A.
3. There was a discussion of the SPJ Region 5 conference that was held the first weekend of April in Bowling Green. We are in the process of looking into things we can possibly do in the future.
4. You should receive your membership cards from SPJ any time now. The cards will be sent to your permanent address. You will also get an email welcoming you to SPJ. If you don't receive any of this information within the next couple weeks, let an officer know.
5. April 24- May 1 is the 2nd annual [Ethics in Journalism week](#). We are posting the SPJ Code of Ethics in several areas on campus including the Shield and WSWI.
6. Our next meeting is April 29th at 4:30. This will be the last meeting of the semester. Plan to be there!

Melanie Branum

Secretary
