

March 15 Meeting

1. Induction is this Thursday, March 18 at 7:30pm in UC 201-202.
Remember, there is a NO JEANS policy. After the induction is over, we are heading to Tumbleweeds. Bring your own money, because you have to pay for whatever you order. If you plan to go to Tumbleweeds with us, RSVP ASAP so we can give them a rough head count.
 2. We are still looking into more Krispie Kreme fundraising options. Our main concern is getting people to man the table when we are selling them on campus. We need all the help we can get. The purpose of these fundraisers is to raise money so that the club can help pay for conference expenses and other things we do together as a group.
 3. We still need to know who is planning to stay in a hotel for the Region 5 conference on April 2-3. RSVP to this email if you are planning to spend the night with the group in the hotel. We need to know ASAP so that we can get the rooms.
 4. Our website has several interesting links. If you haven't looked at it yet, or recently, you need to. <http://web.usi.edu/spj> There is a new jobs link that has a listing of several jobs available in journalism and there is another link on how to find a job in journalism.
 5. Our next meeting is Thursday, April 1st at 4:30.
1. Thanks!
